

# RIVERSIDE COMMUNITY SERVICE AGENCY

## Are You Worried About Your Future?

Do you feel anxious or depressed?

Do you worry about finding a good job and a decent place to live?

Are you overwhelmed just thinking about life as an adult??

## Riverside can help!

We can help you build the confidence and skills to reach your goals.

We work together with teens, young adults, and their families, and together we'll do what it takes to get you there:

- Develop a personal plan with you, based on your strengths and needs
- Establish a support team of friends, family, and other caring adults
- Connect you with peer support like youth mentor services
- Help you figure out services available to you
- Create a personal safety and crisis plan
